MEMORANDUM FOR:

FROM:

[Redacted]

Director of Training and Education

SUBJECT:

Evaluation of the Computer-Based Training Course, "Fundamentals of AIM"

1. Thank you for evaluating the computer-based training (CBT) course, "Fundamentals of AIM". I realize that your participation in this process required a great deal of time and dedication. Your comments and suggestions will help ensure that OTE's first inhouse CBT course will be a success when it is made available to the entire Agency.

2. The Office of Training and Education places a high priority on self-study courses and computer-based training will play a significant role in this area. In the near future, many CBT courses, on a variety of subjects, will be available to Agency personnel. I welcome your continued support and involvement with this effort.
